## Meal Benefit Form Information For School Year 2016-2017

### ***ATTENTION PARENTS/GUARDIANS OF STUDENTS IN THE LAKE FOREST SCHOOL DISTRICT:***

The Child Nutrition Program will operate under the Community Eligibility Program beginning with the first day of school in August, 2016. This means that NO students will need a meal benefit form submitted, **AND** also that NO students will pay for breakfast or lunch meals.

Students **WILL** still need money in their accounts if parents/guardians allow them to purchase any extras (seconds, snacks, cookies, ice cream, etc.).

Please note: Your child's account balance will roll over to the new school year (as in previous years). If a student owes money at the end of the 2015-2016 school year they will still owe that balance. Any money given to the cashier will go towards the negative balance before going into the account to purchase extras).

Payments to accounts can be made at the school cafeteria register with cash or check. Parents can also create an account online at [MYSCHOOLBUCKS.COM](http://MYSCHOOLBUCKS.COM). They can use the account to look at the student balances (for free), or an online payment can be made to the student account for a fee of \$1.95 per transaction (a transaction can be described as putting money into one or more accounts at one log-in time. If you log-out of the program, and then get back in - another fee will be added - as a new transaction.

If you have questions, please contact: Donald Jumper, 302-284-3020, ext. 111 or email at [DRJUMPER@LF.K12.DE.US](mailto:DRJUMPER@LF.K12.DE.US).
