

LAKE FOREST

your best choice

TO: Lake Forest Community Partners and Families

FROM: Dr. Brenda G. Wynder, Superintendent *BGW*

DATE: January 30, 2018

SUBJECT: FY19 – FY21 Strategic Planning Meetings

We are continually working to make the Lake Forest School District the best district in Delaware. In order to do this we need input, help, and support from the community and the Lake Forest Families so that we can provide the best experience and high-quality instruction for our students as we work together to prepare them to be college and career ready!

We are currently finalizing the implementation of our 2016/2017 – 2017/2018 Strategic Plan. This plan was successful and focused on three main goals:

1. Academic Success for Every Student;
2. Partnerships with Families, Communities, and Businesses;
3. School Facilities and Learning Environments.

This letter is to invite you to meet with us to create and implement new goals that will continue to guide our District to be the best in Delaware. We will meet from 6:00pm – 8:00pm on the below dates in the Lake Forest High School Atrium. There is a free optional dinner at 5:15pm.

- Tuesday, February 13, 2018
- Monday, March 5, 2018
- Monday, April 16, 2018

We appreciate your interest, dedication and commitment to LFSD! We are looking forward to working with you!
