The vision of the Lake Forest School District is to be the model of excellence in education.

Dear Parent/Guardian:

Please be advised that students are allowed to bring hand sanitizer to school for their personal use. There will also be hand sanitizer available throughout each building.

If for any reason your child is **UNABLE** to use hand sanitizer, **you must fill out and sign this form and return in order for your student's teachers to be made aware.**

If your child **is** able to use hand sanitizer, **there is no need to return this form.** Please note that no assistance will be given in the use of hand sanitizer, so please go over how to use it with your child at home.

My child _____ is NOT able to use hand sanitizer in
