

The Lake Forest School District Leadership Team is beginning the strategic planning for the school years beginning in 2022-23. For the plan to be most effective, it is very important to have school and community members involved in this process. Here are some of the expectations of participating members:

- 1) Attend a monthly meeting approximately 9 times per year (Zoom or in person).
- 2) Work cooperatively with teachers, educational leaders, and other community members to develop a shared strategy for the school district.
- 3) Maintain confidentiality.
- 4) Be willing to be assigned to a sub-committee and do a reasonable amount of "homework" if needed.

If you are interested in shaping the future for our students, we would love for you to join us! The first meeting for this team is May 19, 2021 at 6 PM. Please click [here](#) if you are interested in being a part of the process.
